Notes: (1) Code G capacitor start motor. (2) Available 120 volt current at the 50 amp full power plug. (3) Electric start models include battery rack and cables. Battery not included (4) Engine warranty administered throughput projections are provided by the control of the co

engine manufacturer. (5) WL12000HE CS6365 50 Amp unit available

# THERE'S POWER IN QUALITY

## o-PROFESSIONAL

Our Industrial Portable generators are as durable as they come and will work just as hard as you do.

## O——— COMMERCIAL ENGINES———

Honda GX and Briggs & Stratton Vanguard engines are known for their dependability and reliability.

#### **○ GENEROUS RECEPTACLE PACKAGES** ○

We want you to have the power you need. The panels have easy access for maintenance.

#### O——— PORTABLE

Whether its for a job site, workshop, or home, these units are there when you need them.

#### RELIABLE

Exceptional engineering ensures these units will work whenever needed.

#### RUGGED DESIGN -

Engineered and built tough with steel and powder coat paint.

## ○------ 100% LOAD TESTED ---

Every generator is full load tested before it leaves our facility.

# STRONG HISTORY -

WINCO has been building dependable generators since 1927.
